

***AD Seminary Scholarship Update From Marcus Breitbarth
Friday, May 14, 2010 10:48 AM***

Atlantic District Office,

I hope that all is well in the Atlantic District. I am one of the seminary students from the district whom you are supporting. Thank you for your financial contribution to my education as well as your prayers.

Things have been ok for myself and my family. We are almost done with vicarage. In the beginning of July, we will be moving back to St. Louis for my fourth and final year at the seminary. My vicarage ends June 27th and I am taking summer classes starting in July.

Lent and Easter went well. I was especially pleased with our extra Lenten Bible study for it was great to as a church dig into God's Word some more together. We can never spend too much time studying Scripture together. I was also pleased with our Lenten suppers for they were a good time of church fellowship.

If you would like to pray for me here are a few prayer requests:

*May God guide the ministry of Bethlehem of Baudette and Bethlehem of Warroad as I finish my time as their vicar and as a new vicar arrives. May the change be smooth for them.

*May God bless the ministry of the new vicar at the Bethlehems.

*May God bless my family (wife, daughter and myself) during our move. May we adjust quickly to our new home.

*May God give me strength and guidance to be the best servant of the church, and husband and father I can be.

*May God help my family through our transition to our financial reality of my fourth year of seminary.

May God bless you always. May God keep you all in the true faith unto life everlasting. Praise God for His love for us is eternal.

Marcus Breitbarth
