Dear Mr. Labenberg and the Atlantic District Scholarship Committee,

Thank you, once again for your spiritual and financial support. Your continuing support and the continuing support of the District is a wonderful blessing in many ways. Life at the seminary is excellent yet again. Classes are going well and wedding plans for November 21<sup>st</sup> are almost complete. My fiancée Amy (Rivers) and I are looking forward to it greatly. Thank you once again for further enabling me to pursue the path set out for me and my future wife by the Spirit and for your constant support and devotion to the blessed Church of our Lord and Savior, Christ Jesus.

God's richest blessings to you, your families, and our family in the Atlantic District.

In Christ,

Robert Paul
